

Change Challenge Questions

Log into Scholar and click “Reset Password”, then select “Change Challenge Questions and Answers”.

On the following screen, you can update your Alternate Email Address and change your challenge questions and answers. When you are done, click “Continue”. You will then be taken to your Scholar homepage.

Login - Modify Challenge Questions

Please create your challenge questions in the event you ever forget your password.
Enter an Alternate Email Address. **Do Not Use** the email address currently on file. (i.e. your @shorter.edu or @hawks.shorter.edu address)
Select a question from each drop down and give a unique answer for each question.
If you would like to do set up your challenge questions later, click the Later button and you will be asked the next time you log into the portal.

Alternate Email Address:

Confirm Alternate Email Address:

What was the name of the street where you were living when you were 15 years old?

In what city was your first job?
